

PROPERTY INSURANCE PROGRAM

Wisconsin County Mutual Insurance Corporation

The Wisconsin County Mutual Insurance Corporation (County Mutual) is pleased to announce the availability of a Property Insurance Program to its current coverage offerings. The County Mutual Board of Directors, comprised of representatives of member owners, is committed to providing a long-term property solution, featuring broad-based coverage, risk management services and stability in cost that many have come to expect from the County Mutual.

The Wisconsin County Mutual Insurance Corporation is committed to the following goals:

- » Provide a long-term property solution
- » Provide a pricing structure that is substantially at-cost
- » Structure a broad-based coverage format similar to the Local Government Property Insurance Fund (LGPIF)
- » Build flexibility to respond to each entity's unique exposures
- » Minimum overall budget impact
- » Provide innovative risk management initiatives for programmed maintenance, trending building solutions and education
- » Structure and monitor an effective claim process.

THE WISCONSIN COUNTY MUTUAL INSURANCE CORPORATION serves counties and local governments and the people they serve by providing long-term stability in insurance coverages, while controlling costs. The County Mutual is A.M. Best rated and owned by its members and has the financial security and comprehensive programs and services that will protect you and your interests, while saving taxpayer dollars. What makes the County Mutual unique is our close working relationship with our members. Acting in collaboration, the County Mutual and our owners work as a team to aggressively control claim costs by promoting quality risk management efforts that are second-to-none in the industry. **Working together, we truly are a Mutual effort.**

BROAD COVERAGE.
COST STABILITY.
